TOGETHER, REACHING FOR THE STARS
Together, Reaching for the Stars

Children of One World (Bir Dünya Çocuk) a non-governmental, non-profit organization, which has a multinational and multicultural structure, is dedicated to providing child protection services and advocating for child rights. Children of One World was founded in 2013 in Aleppo (north of Syria), then registered in Gaziantep (south of Turkey) in 2014.

From 2014 until the end of 2019, Children of One World could reach more than half million boy, girl, man and woman with a specialized specialized general protection, child protection services, educational services, and female-headed household cash support, in in 15 different crisis-affected communities in Syria.

Children of One World is still proving a prominent intervention experience and capability in Child Protection sector, mainly in Syria and recently in Turkey.
The Alliance for Child Protection in Humanitarian Action

Child Rights Connect

End Violence Against Children

Partnership Network for Preventing Violence Against the Child

Children of One World is in special consultative status with the **UN Economic and Social Council** since 2019.
MISSION

• To contribute to prevention of children from all kinds of abuse, violence, neglect, discrimination, and exploitation.
• To mitigate suffering, ensuring quality and effective response.
• To empower children’s participation and encourage sustainable development for and with children.
• To advocate for a creative and supportive environment with optimum resources that guarantee the best interest of children.

VISION

One world where all children attain their rights and dignity based on their best of interest.

SLOGAN

"Together, reaching for the stars" is Children of One World's slogan.

As a phrase “reaching for the stars” means “try hard to achieve a difficult goal”. While we aware that changing the world and reaching our mission "one world where every children attain their rights and dignity" is not an easy task. Yet we believe we can and we must achieve that goal.

We emphasize “Together” because we believe that coordination, collaboration and inclusion are significant principles and success factors we need to be emphasized and committed
